

**Two Delta Plan
work sessions set
for next week**

The Delta Stewardship Council (DSC) will be conducting focused public work sessions on the [fifth staff draft](#) of the Delta Plan during a meeting next week in Sacramento. The day-long meeting on Thursday, Sept. 15, will include two work sessions. The first will look at success and performance measures. The second will focus on covered actions and governance. The [agenda](#) and meeting details are available on the DSC website.

**Science board
preparing Delta Plan
comments for DSC**

The [Delta Independent Science Board](#) will hold a teleconference on Tuesday, Sept. 13, to prepare its comments on the fifth staff draft of the Delta Plan. The meeting announcement, which includes the call-in number and pass code, is available [here](#). The comments developed during the teleconference will be presented to the DSC at its meeting later this month.

**BDCP amends
memorandum
for Delta program**

The [Bay Delta Conservation Plan](#) (BDCP) has released the first amendment to a [memorandum of agreement](#) (MOA) regarding collaboration on the Delta Habitat Conservation and Conveyance Program. The MOA establishes a joint process involving DWR, the U.S. Bureau of Reclamation, the State and Federal Contractors Water Agency and several public water agencies. The amendment is intended to enable timely analysis of measures being considered for the Delta.

**Delta Conservancy
co-sponsoring forum
on new perspectives**

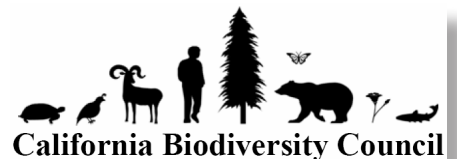

The [Sacramento-San Joaquin Delta Conservancy](#) and the Water Education Foundation are co-sponsoring a [one-day forum](#) on new ways of thinking about the Delta. It will be held Tuesday, Oct. 18, in Sacramento and will look at the Delta's problems from new perspectives. Online [registration](#) is available.

**Water commission
changes location for
storage workshops**

The California Water Commission has chosen a new location for two workshops on state water storage issues. The workshops are being moved to the [California Automobile Museum](#) in Sacramento because of the large number of people wanting to attend. The first workshop will be held Wednesday, Sept. 14. The deadline to email an [RSVP](#) is tomorrow, Sept. 9. The second workshop will be held Tuesday, Oct. 25. Updated [agendas](#) are available online.

**Biodiversity council
plans celebration
for 20th anniversary**

The [California Biodiversity Council](#) will be celebrating its 20th anniversary at a [meeting and reception](#) on Wednesday, Sept. 14, in Old Sacramento. [Registration](#) is required to attend the event. The council was created to improve coordination and cooperation among resource management and environmental protection organizations at federal, state and local levels.
